

BACK TO SCHOOL

prayer guide

"If my people who are called by my name humble themselves, and pray and seek my face and turn from their wicked ways, then I will hear from heaven and will forgive their sin and heal their land."

- 2 Chronicles 7:14

We're asking God to prepare our hearts for an amazing year. We believe that 2016-2017 is going to redefine & shape many of you forever. Even if you're not used to praying, here's a few things to get you started:

- Ask God to give you a heart that is expectant & prepared to experience him fully this year. Think about how God might take you to the next level & create breakthrough in your life in the next few months. Pray for a hunger & thirst in your heart to know God in a deeper way this year.
- Call out the name of your school & ask for God's blessing. Think about how God wants to use you this year in your school. Ask the Lord to give you a heart that breaks for your friends, teachers, enemies, & everyone in between. Pray for humility & influence as you show Christ's love and truth. How are you going to represent Jesus this year at your school?
- Think of 3 people who need Christ this year & pray for them by name. Ask God to give you boldness in sharing his love with them. Pray for opportunities to invite them or take them to your church.

- Pray for a movement of God in your school. Ask God how you can serve Him. Pray for friends at school and church who can encourage you in your walk with God. Who is someone that you can take under your wing to lead them closer to Jesus?
